**With the support of all R.I. Districts
Lead by R.I. Distt. 3120**

OVERVIEW

Greetings,

Respected Sir/Mam

We are sure you would be aware that Rotaract Clubs celebrated World Rotaract Week by organising blood donation camps and collected more than One Lakh units of blood by various RI Districts from 2016 to 2022. We are also listed in India Book of records for maximum number of camps organised in a week. This Rotary year 2022 - 23 the responsibility of organising this event has been given to our RI District 3120 and we have planned to go bigger and wider. We intend to collect 75,000 units of blood from March 13, 2023 to March 19, 2023 from 1000 camps organised in 75 RI Districts & 50 Countries. Apart from the things mentioned above, we would also focus on one of the major roadblocks to blood donation i.e. Myths w.r.t Blood Donation in the society and also help to build Blood Donor's database, Novel initiatives like Blood Bank Infrastructure development, Crowd Funding for Bone Marrow Transplant for Thalassemia patients etc.

As a part of the organization we feel the most amazing part would be coming together and enjoying every bit of the event and hope we make it bigger and better in 2023 together.

We request your cooperation in Mahadan 2023 as per following criteria:
