Subject : Regarding Invitation to join Blood Donation Camp organised by our club on date March 2023 & be a part of one of the biggest International blood donation drive Mahadan 8.0

Respected Sir/Mam

Warm Greetings,

We would like to inform you that like every year Rotary & Rotaract Clubs are celebrating World Rotaract Week by organising blood donation camps from 13th to 19th March 2023 under the banner of Mahadan 8.0. Mahadan is an initiative of Rotaract the youth wing of Rotary International where they organise blood donation camps all over the world during the World Rotaract Week. Started in the year 2016 Mahadan has been quite successful and has collected more than One Lakh units of blood by various RI Districts from 2016 to 2022. We are also listed in India Book of records for maximum number of camps organised in a week. This Rotary year 2022 - 23 the responsibility of organising this event has been given to our RI District 3120 and we have planned to go bigger and wider. We intend to collect 75,000 units of blood from March 13, 2023 to March 19, 2023 from 1000 camps organised in 75 RI Districts & 50 Countries. Apart from the things mentioned above, we would also focus on one of the major roadblocks to blood donation i.e. Myths w.r.t Blood Donation in the society and also help to build Blood Donor's database, Novel initiatives like Blood Bank Infrastructure development, Crowd Funding for Bone Marrow Transplant for Thalassemia patients etc.

With respect to this we are organising a blood donation camp on March 2023 at Time

We would request you to join us in this noble cause & give your blessings. Your presence will encourage more people to come forward and donate blood which will help save lakhs of lives.

Regards

PDRR Rtr. IRtn. Kushagra Bansal
