MAHADAN EMERGENCY CAMP

There are Many People who prefer to donate blood only during a medical emergency. This camp can help them to be part of Mahadan 8.0 & donate blood. Many Countries also have restrictions on voluntary blood donation camps & only emergency blood donations are allowed. These camps can be organised there.

What needs to be done?

You can tie up with any Govt./Private hospital & put your banner over there for all 7 days i.e. 13th to 19th March 2023 & ask them to contact you for any blood requirement during an emergency. Keep a list of volunteers ready & send them to the hospital for blood donation accordingly. All blood units collected in this camp will be counted in Mahadan 8.0. This camp will be considered as a single camp & needs to be reported as 1 camp.
